## SenSen Receives Order for Extra 78 Cameras Software Maintenance in Singapore

### HIGHLIGHTS

- *SenSen to provide software maintenance services to ATT Systems Group for an additional 78 cameras in Singapore*
- *Total number of illegal parking enforcement cameras being managed by SenSen for the Singapore Land Transport Authority now amounts to 336*

Leading smart cities solution provider SenSen Networks Limited (ASX: SNS, “SenSen” or “the Company”) is pleased to advise that it has received a new order to supply software maintenance services for an additional 78 cameras monitoring illegal parking activities in Singapore’s CBD.

SenSen already provides software maintenance services for 258 cameras in the Singapore CBD to ATT Systems Group (“ATT”) and the additional order brings the total number of cameras under software maintenance to 336.

*Cameras running SenSen’s proprietary AI software throughout Singapore CBD*

---

ATT is a long-term channel partner for SenSen in Singapore. ATT Systems Group ([www.attsystemsgroup.com](http://www.attsystemsgroup.com)) is a regional System Integrator whose competitive edge lies in its ability to provide a one-stop solution service, known for delivering intelligent customised systems for government and commercial clients.

The additional services are to be supplied by SenSen for an initial period of six months, commencing from 1 October 2019. SenSen will earn additional monthly Software as a Service revenue under the maintenance contract.
