About SenSen Networks Limited

An innovator in smart urban management solutions, SenSen leads the way in AI technology with the pioneering Live Awareness AI Platform. This revolutionary system analyzes data from cameras and sensors in real-world spaces, seamlessly integrating it with contextually significant digital enterprise data for a safer and more efficient global landscape.

SenSen’s solutions are alleviating traffic congestion, enhancing road and personal safety, and elevating urban life in prominent cities like Chicago, Las Vegas, Vancouver, Calgary, Singapore, Adelaide, and Brisbane. Additionally, the company’s AI-driven technology is generating substantial annual savings for major fuel retail brands, including AMPOL, Chevron, Liberty, and Woolworths.
